- 20.1.1 If the value of the Work is \$500,000 or less, five (5) per cent of the value of the Work, or

- 20.1.2 If the value of the Work is more than \$500,000—the sum of \$25,000 plus three (3) per cent of the value of the Work greater than \$500,000.
- 20.2 Clause 20.1 operates as a restriction on the issue of a Subdivision Certificate pursuant to s6.15 of the Act.
- 20.3 If the Developer does not comply with a Defect Notice in accordance with this Deed, the Council may:
 - 20.3.1 Rectify the default at the expense of the Developer, and
 - 20.3.2 draw down on the Defects Security amount without notice to the Developer to reimburse the Council for the Costs incurred in Rectifying the Developer's default, including to meet the Costs of Rectifying the Defect identified in the Defect Notice.
- 20.4 The Council will return the relevant part of the Defects Security to the Developer:
 - 20.4.1 where no Defect Notice has been issued, within 20 business days from the end of the Defects Liability Period for the Work, or
 - 20.4.2 where one or more Defect Notices have been given, within 20 business days after the last Defect has been Rectified in accordance with this Deed.

Part 3 – Dispute Resolution

21 Dispute resolution – expert determination

- 21.1 This clause applies to a Dispute between any of the Parties to this Deed concerning a matter arising in connection with this Deed that can be determined by an appropriately qualified expert if:
 - 21.1.1 the Parties to the Dispute agree that it can be so determined, or
 - 21.1.2 the Chief Executive Officer of the professional body that represents persons who appear to have the relevant expertise to determine the Dispute gives a written opinion that the Dispute can be determined by a member of that body.
- 21.2 A Dispute to which this clause applies is taken to arise if one Party gives another Party a notice in writing specifying particulars of the Dispute.
- 21.3 If a notice is given under clause 21.2, the Parties are to meet within 14 days of the notice in an attempt to resolve the Dispute.
- 21.4 If the Dispute is not resolved within a further 28 days, the Dispute is to be referred to the President of the NSW Law Society to appoint an expert for expert determination.
- 21.5 The expert determination is binding on the Parties except in the case of fraud or misfeasance by the expert.
- 21.6 Each Party is to bear its own Costs arising from or in connection with the appointment of the expert and the expert determination.
- 21.7 The Parties are to share equally the Costs of the President, the expert, and the expert determination.

22 Dispute Resolution - mediation

- 22.1 This clause applies to any Dispute arising in connection with this Deed other than a Dispute to which clause 21 applies.
- 22.2 Such a Dispute is taken to arise if one Party gives another Party a notice in writing specifying particulars of the Dispute.
- 22.3 If a notice is given under clause 22.2, the Parties are to meet within 14 days of the notice in an attempt to resolve the Dispute.
- 22.4 If the Dispute is not resolved within a further 28 days, the Parties are to mediate the Dispute in accordance with the Mediation Rules of the Law Society of New South Wales published from time to time and are to request the President of the Law Society to select a mediator.
- 22.5 If the Dispute is not resolved by mediation within a further 28 days, or such longer period as may be necessary to allow any mediation process which has been commenced to be completed, then the Parties may exercise their legal rights in relation to the Dispute, including by the commencement of legal proceedings in a court of competent jurisdiction in New South Wales.
- 22.6 Each Party is to bear its own Costs arising from or in connection with the appointment of a mediator and the mediation.
- 22.7 The Parties are to share equally the Costs of the President, the mediator, and the mediation.

Part 4 - Enforcement

23 Security for performance of obligations

- 23.1 Notwithstanding any other provision of this Deed, if the Developer wishes to obtain a Subdivision Certificate which can only be issued if any Work is first completed under this Deed, and the Developer is not in a position to complete that Work by the time it wishes to apply for the Subdivision Certificate then the Developer may:
 - 23.1.1 issue a notice to the Council setting out:
 - (a) the Subdivision Certificate for which it wishes to apply,
 - (b) the Work or part of the Work which will not be complete before the application for the Subdivision Certificate is made,
 - (c) the Developer's estimate of the revised date for completion of the Work, and
 - (d) the Developer's calculation of the value of the uncompleted part of the Work determined by reference to the Contribution Value for the Work, which cannot exceed the Contribution Value for that Work (**Incomplete CV**), and
 - 23.1.2 provide the Council with Security in an amount being 100% of the Incomplete CV of the Work.

- 23.2 On receipt of a notice under clause 23.1.1, the Council must within 10 business days notify the Developer in writing if it does not agree with the Incomplete CV set out in the notice.
- 23.3 If Council issues a notice under clause 23.2, the Parties must meet in an attempt to agree on the Incomplete CV and if no agreement is reached within 10 business days from the Council's notice under clause 23.2, the Parties are to refer the determination of the extent of the incomplete Work and the calculation of the Incomplete CV for that Work to a suitably qualified independent expert who has been agreed upon and appointed jointly by the Parties, or if the Parties cannot agree on an expert, to a suitably qualified independent expert appointed by the President of the NSW Law Society.
- 23.4 The determination of the independent expert appointed under clause 23.3 is final and binding on the Parties, and if the Incomplete CV determined by the expert is different to the value of the Security provided by the Developer under clause 23.1.2 the Developer must replace it with a Security for 100% of the Incomplete CV determined by the expert whereupon the Council must immediately return the original Security provided by the Developer.
- 23.5 If the Developer complies with clause 23.1 and 23.4 in respect of a Work then:
- 23.5.1 the Council will not withhold the issue of the Subdivision Certificate the subject of the written notice from the Developer as a result of the relevant Work being incomplete,
- 23.5.2 the Developer will not be considered to be in breach of this Deed as a result of a failure to complete all or part of the Work before the issue of the relevant Subdivision Certificate, and
- 23.5.3 this Deed will be deemed to have been amended such that the time for completion of the Work is the time noted in the Developer's notice under clause 23.1.1.
- 23.6 If the Work (or part of the Work) is not completed by the revised date for completion of the Work (or part of the Work) then the Council may call on the Security provided under this clause to meet any of its reasonable Costs incurred under this Deed in respect of the failure to complete the Work (or part of the Work) by the revised date for completion.
- 23.7 The Costs of any independent expert appointed under clause 23.3 are to be borne jointly by the Developer and Council.

24 Acquisition of land required to be dedicated

- 24.1 If the Developer does not dedicate land required to be dedicated under this Deed at the time at which it is required to be dedicated, the Developer consents to the Council compulsorily acquiring the land for compensation in the amount of \$1 without having to follow the pre-acquisition procedure under the Just Terms Act.
- 24.2 The Council is to only acquire land pursuant to clause 24.1 if it considers it reasonable to do so having regard to the circumstances surrounding the failure by the Developer to dedicate the land required to be dedicated under this Deed.
- 24.3 Clause 24.1 constitutes an agreement for the purposes of s30 of the Just Terms Act.

- 24.4 If, as a result of the acquisition referred to in clause 24.1, the Council is required to pay compensation to any person other than the Developer, the Developer is to reimburse the Council that amount, upon a written request being made by the Council.
- 24.5 The Developer indemnifies and keeps indemnified the Council against all Claims made against the Council as a result of any acquisition by the Council of the whole or any part of the land concerned except if, and to the extent that, the Claim arises because of the Council's negligence or default.
- 24.6 The Developer is to promptly do all things necessary, and consents to the Council doing all things necessary, to give effect to this clause 24, including without limitation:
- 24.6.1 signing any documents or forms,
 - 24.6.2 giving land owner's consent for lodgement of any development application,
 - 24.6.3 producing certificates of title to the Registrar-General under the *Real Property Act 1900*, and
 - 24.6.4 paying the Council's Costs arising under this clause 24.

25 Breach of obligations

- 25.1 If the Council reasonably considers that the Developer is in breach of any obligation under this Deed, it may give a written notice to the Developer:
- 25.1.1 specifying the nature and extent of the breach,
 - 25.1.2 requiring the Developer to:
 - (a) Rectify the breach if it reasonably considers it is capable of Rectification, or
 - (b) pay compensation to the reasonable satisfaction of the Council in lieu of Rectifying the breach if it reasonably considers the breach is not capable of Rectification,
 - 25.1.3 specifying the period within which the breach is to be Rectified or compensation paid, being a period that is reasonable in the circumstances.
- 25.2 If the Developer fails to comply with a notice given under clause 25.1 relating to the carrying out of Work under this Deed, the Council may step-in and Rectify the breach and may enter, occupy and use any land owned or controlled by the Developer and any Equipment on such land for that purpose.
- 25.3 Any Costs incurred by the Council in Rectifying a breach in accordance with clause 25.2 may be recovered by the Council as a debt due in a court of competent jurisdiction.
- 25.4 For the purpose of clause 25.3, the Council's Costs of Rectifying a breach the subject of a notice given under clause 25.1 include, but are not limited to:
- 25.4.1 the Costs of the Council's employees, agents and contractors reasonably incurred for that purpose,
 - 25.4.2 all fees and charges necessarily or reasonably incurred by the Council in Rectifying the breach, and

- 25.4.3 all legal Costs and expenses reasonably incurred by the Council, by reason of the breach.
- 25.5 Nothing in this clause 25 prevents the Council from exercising any rights it may have at law or in equity in relation to a breach of this Deed by the Developer, including but not limited to seeking relief in an appropriate court.

26 Enforcement in a court of competent jurisdiction

- 26.1 Without limiting any other provision of this Deed, the Parties may enforce this Deed in any court of competent jurisdiction.
- 26.2 For the avoidance of doubt, nothing in this Deed prevents:
- 26.2.1 a Party from bringing proceedings in the Land and Environment Court to enforce any aspect of this Deed or any matter to which this Deed relates, or
- 26.2.2 the Council from exercising any function under the Act or any other Act or law relating to the enforcement of any aspect of this Deed or any matter to which this Deed relates.

- 28.1.1 sell or transfer the Land, other than a Final Lot, or

to any person unless:
 - 28.1.3 the Developer has, at no Cost to the Council, first procured the execution by the person to whom the Land or part is to be sold or transferred or the Developer's rights or obligations under this Deed are to be assigned or novated, of a deed in favour of the Council on terms reasonably satisfactory to the Council, and

38 Illegality

- 38.1 If this Deed or any part of it becomes illegal, unenforceable or invalid as a result of any change to a law, the Parties are to co-operate and do all things necessary to ensure that an enforceable agreement of the same or similar effect to this Deed is entered into.
